## *Plaid Tidings*

Once upon a time there were four wholesome and heartfelt guys called The Plaids who loved to sing. Tragically, they met untimely deaths at the peak of their promise. But when Plaids go to heaven, interesting things happen. At the beckoning of the heavenly Rosemary Clooney, they return to earth to bring a little harmony to a discordant world. In *Plaid Tidings*

(a sequel to the hugely popular *Forever Plaid*), Sparky, Smudge, Jinx and Frankie revive their careers by singing hits from the 1950s and 1960s and scads of holiday standards that have been “plaid-erized.”

\*A \$62-\$20 value depending on seat purchased. You must purchase December 17<sup>th</sup> tickets to attend the tasting. Kilt attire optional but encouraged.
